## EXPERIENCE MODERN LOUNGING

There's no chair like the Comfort Air. Beyond a recliner, beyond a rocking chair, the Comfort Air is designed to move with your body, its patented mechanism cradling you in the perfect gravity-driven position for comfortable lounging. Experience optimal movement as the Comfort Air glides, swivels, and rocks with you. Customize by choosing fabric or leather, size, finishes, and optional footrest for a Comfort Air that's all your own.
