EBONY

OILED ASH

STEP 4: BATTERY UPGRADE

+ ADD RECHARGEABLE BATTERIES

QTY *Separate Battery Required for Each Motion Component
Strongly Recommended for Swivel Recliner*

Our powered motion pieces come standard with a wall plug, easily attached to the back of the piece. All powered pieces are battery compatible, batteries can charge by plugging in the detachable wall plug or by using an external charger.

STEP 5: SELECT CUSHION FILL

FOAM

With Fiber Back Cushion on Motion

Our custom layering of foams is meticulously designed to create a best-in-class seating experience—layers of support are assembled to provide that perfect balance of support and sink-into in every cushion. Perfect for those who like a fuller appearance with less comfort lines.

+ DOWN ENCASEMENT

With Fiber Back Cushion on Motion

For a softer seating experience

+ TRILLIUM ENCASEMENT

With Fiber Back Cushion on Motion

Synthetic down alternate for a softer seating experience

EXTRA FIRM FOAM

With Fiber Back Cushion on Motion

Engineered for those who prefer a more structured sit, our extra firm foam still prioritizes ergonomic comfort with added durability for the seat fill.

+ DOWN ENCASEMENT

With Fiber Back Cushion on Motion

For a softer seating experience

SPRING FOAM

With Fiber Back Cushion on Motion

Foam imbued with engineered spring to add a bit of bounce to your seat. This is carefully layered to make your experience bright and perky without sacrificing comfort or style.

+ DOWN ENCASEMENT

With Fiber Back Cushion on Motion

For a softer seating experience

FINAL STEP: SELECT COVER

Over hundreds of cover options with a wide array of colors and textures available to ensure that we have the perfect solution for every project, including our premium leather, carefully selected from the top 10% worldwide.
