EFFECTIVE April 15, 2026

## Conditions and Terms Of Sale

All orders are subject to acceptance by American Leather®. American Leather® reserves the right to limit distribution of any or all models.

Possession of a price list or catalog does not necessarily constitute authority to purchase any of the items contained.

All orders received by American Leather® are accepted in good faith and considered firm, final and non-cancelable upon being scheduled for production. American Leather® acknowledges all orders via fax within one business day and makes a good faith attempt to insure timely receipt of the acknowledgement. The purchaser is responsible for advising American Leather® of any changes or discrepancies for an order within one business day of the acknowledgement. Failure to receive an acknowledgement is the responsibility of the purchaser and must be followed up on if not received.

All merchandise is invoiced on the date of shipment.

All TERMS are based on Freight On Board (FOB) at Dallas, Texas. American Leather®'s responsibility for loss or damage ceases upon delivery of merchandise to the freight carrier in good condition.

Enhanced packaging methods protect the product without utilizing an outside box. If the purchaser still requires a boxed product, a fee of \$25.00 per piece will be charged, excluding ottomans and pillows.

All freight quotes for common carrier shipments are good faith estimates only. The dealer is responsible for all freight charges regardless of actual cost.

All shipments must be consigned to an active warehouse or place of business. No "drop shipments" will be made to private homes.

All warranty claims for defective materials or workmanship will be handled per our Repair and Return Policy and our Limited Lifetime Warranty.

Variations and natural markings in genuine leather are inherent to the natural beauty of our products and do not in themselves constitute defective materials or workmanship.

American Leather® utilizes and reports credit and payment information to various credit reporting agencies.

Payments must be received by American Leather® by the due date. Delays due to shipment or delivery problems by the freight carrier are the responsibility of the purchaser and do not extend the terms of sale. Mail time should be anticipated in the timing of all payments.
